Notes

TERMS

Agreement

This event photography contract shall be the sole agreement for the services listed in this contract. Both parties listed above agree to fully uphold the terms of this contract, and agree that no other agreements related to the services listed here shall be held valid.

If there are any disputes related to this contract at any time, both parties agree to resolve those disputes according to the laws of South Africa

Any legal disputes shall be filed in the county court in Pretoria. The client hereby agrees to be solely responsible for legal fees, including attorneys fees, incurred by Random Access Media Productions in forcing the terms of this event photography contract

Retainer

50% of the total amount is payable to book the date. The Client agrees to pay the fees listed in the pricing section of this event photography contract by transfer or in cash by the agreed time as stated.

Cancellation

The client may cancel this event photography contract with written notice at any date prior to the day of the event. In the event of cancellation, the client agrees to forfeit the initial retainer.

If Random Access Media Productions should cancel this contract for any reason, Random Access Media Productions agrees to return all fees paid by The Client.

Exclusive photographer

RAMP shall be the exclusive photographer for the event(s) listed in this event photography contract, and shall be fully responsible for providing any photography equipment or personnel necessary during the event.

RAMP shall not be held liable for compromised photography coverage during the event due to other parties or environment conditions, including (but not limited to) public event attendees and weather conditions.

It is the responsibility of the client to appoint someone to ensure that all members needed to be photographed are called. This person should ensure that family members does not interfere with the duties of the photographer

Delivery.

All items will be delivered within 4-6 weeks

The client needs to supply RAMP with 4 songs of their choice for the 1-4 minute video highlights. (This needs to be done timeously to avoid any delays).

IP & Marketing Rights

RAMP shares the right with the client to share and use all images and video footage for marketing purposes. However if client denies the right and want sole ownership the client will have to pay a surcharge of R1000/h of work.
